RE: A8,P3  
Pre-Certification  
PSP

Dear Mr. Reising:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the United States Department of Energy's (U.S. DOE) Area 8, Phase 3 (A8,P3) pre-certification real-time scanning Project Specific Plan (PSP).

The A8,P3 pre-certification PSP describes the approach for conducting real-time scans in A8,P3.

The PSP is technically adequate and consistent with similar document. Therefore, U.S. EPA approves the A8,P3 pre-certification PSP.

Please contact me at (312) 886-0992 if you have any questions regarding this matter.

Sincerely,

James A. Saric
